

My name is Tyler Foster and I am a Caswell County 4-Her. I have been a 4-Her in Caswell County for four years. I started with the camping program and now have attended most district and state programs. 4-H is so much fun and I have met so many nice people. I have recently joined our new 4-H Leadership Club in our county. Our first meeting was when I was able to speak to the county commissioners about attending the NCACC in August. I thanked them and told them what I had learned about budgeting and how to lead a county. I was kind of nervous but I'm sure with time I will become a better public speaker. One of the commissioners recognized my mama for making sure that my sister and I were well rounded and involved in our community. I plan on doing more in leadership by running for office in my 4-H district next spring. Thank you for this opportunity.
